

# Content License

The license of this web site is divided into two categories:

- Source code
- Website contents

## Terms of Use

We are pleased to license all the content and source code under terms that encourage you to take, modify, reuse, re-purpose, and remix the content as you see fit. You are free to use the documentation content in your own creations. For example, you could quote the text in a book, cut-and-paste sections to your blog, record it as an audiobook for the visually impaired, or even translate it.

## Source Code

All source code shown in this site is licensed under the [Apache 2.0 license](#). The Apache 2.0 license is a particular type of [open-source](#), permissive software license. You can use and alter the code commercially; distribute any copies or modifications of the code. Remember that you must include the license notice when using or distributing it.

Third-party libraries which our source code uses such as opencv-python, Apache POI, JGit, etc have their own open source licenses. Please check their website for more information.

## Website Contents

Content on this site is available under a [Creative Commons Attribution 4.0 International license](#) (CC-BY). You are free to copy, redistribute, remix, transform, and build upon the material for any purpose, even commercially. You must give appropriate credit, provide a link to the license, and indicate if changes were made under the terms of the Creative Commons Attribution license.

This license does not include contents from third-party sites. Please check third-party sites for their license if they exist.

## Attribution

Proper attribution is required when you reuse or create modified any source code on this page made available under the terms of the Apache License 2.0.

You must provide a link to this site and indicate if changes were made when you reuse or modify content of this page (not including source code)

## Questions?

By downloading, copying, installing or using the software you agree to this license. If you have any question about the licensing terms of anything in this website, please send the question to [juichi.takahashi@digitalhearts.com](mailto:juichi.takahashi@digitalhearts.com).
